9:00-9:50am

**PeeWee, Bantam**  
10:00-10:50am

**RBC Arena, Stratford Rotary  
Complex**

Affiliated with NSSA Inc.

Welcome to the Ice Stage Power Skating School. ISPSS offers power skating instruction to hockey and ringette skaters in Stratford and area. This program will be taught by certified instructors.

## Why Power Skating?

Power skating is a program that is designed to improve and master skating techniques for both hockey and ringette players. Power Skating provides skaters with a session to focus on their skating abilities, which can then be transferred to hockey practices and games. It takes time, practise and dedication to become an excellent skater. Power skating is not only for straight line acceleration but for all skating skill areas, backward skating, tight glide turns, forward/backward crossovers, etc. Skating is the most fundamental skill required to play hockey or ringette. Many times skating is the skill that is practiced the least amongst young athletes. Stick handling, shooting, checking and even goaltending, while all difficult skills have one thing in common – **SKATING!**

Being able to skate with proper technique, balance and agility will increase the athlete's confidence.

Sessions consist of a warm-up, full ice technical drills, balance/agility drills and reinforcement of skills using pucks/rings.

## EQUIPMENT

Full hockey/ringette equipment must be worn. Each skater **MUST** wear a **CSA approved helmet, mask and neck protector**. A hockey or ringette stick is required. Due to the nature of the game, physical contact may be part of the teaching process.

## THE ISPSS INSTRUCTOR

### Kevin Winter

Kevin has been teaching power skating for the last eleven years. He currently runs the "New Hamburg Power" school. He is working with the Seaforth Minor Hockey Association. In the past, he has worked with the Wilmot Wolverines Girls Hockey Association, AAA Huron/Perth Lakers teams and Jr. B players.

For more information please check out our website or call.
