**Power 1**

***Fridays 4:00-4:45pm***

**Power 2**

***Fridays 4:45-5:30pm***

Affiliated with NSSA Inc.

## Why Power Skating?

Power skating is a program that is designed to improve and master skating techniques for both hockey and ringette players. Power Skating provides skaters with a session to focus on their skating abilities, which can then be transferred to hockey practices and games. It takes time, practice and dedication to become an excellent skater. Power skating is not only for straight line acceleration but for all skating skill areas: backward skating, tight glide turns, forward/backward crossovers, etc.

## Our Program

Our program is the only Nationally Recognized Power Skating program in the country. This program is taught in skating centres from coast to coast.

## Power 1

This program is geared to skaters who already have basic forward skating skills. It is designed to teach players the skating fundamentals needed to improve speed, quickness, and overall skating agility.

We teach fundamental techniques correctly from the start. This means that we develop our skills slowly at first and then increase speed as the skill is mastered.

### *Power 1 focuses on:*

- Proper stride techniques forward and backward
- Lengthening your stride
- Edge control, stopping
- Forward and backward crossovers
- Explosive skating moves, high velocity turns and pivots

- Introduction to forward laterals
- All of the above is done without the puck

## Power 2

This program is geared to skaters with advanced skating skills. This program is designed to further a players' skating fundamentals. It will continue to improve speed, quickness, and overall skating agility. **This will be a high tempo session.**

### *Power 2 will focus on:*

- Continued forward and backward stride technique
- Explosive acceleration, stride efficiency, agility/foot speed, quickness
- Power and speed, dynamic balance, speed with the puck
- Explosive skating moves, high velocity turns and pivots
- Forward and backward crossovers
- Quick feet crossovers
- Forward and backward laterals
- All of the above is done with and without the puck

## THE ISPSS INSTRUCTOR

### **Kevin Winter**

Kevin has been teaching power skating for over 15 years. In the past, he has worked with the Seaforth Minor Hockey Association, Wilmot Wolverines Girls Hockey Association, AAA Huron/Perth Lakers teams and Jr. B players, and ran New Hamburg Power for over 15 years.
